

Essential Smartbright Projector Gen 2

ZCS033 ICP BK

Essential SmartBright Projector ST033T is a value for money product designed for Mass market trade. It is designed to replace halogen and CDM-standard-based projectors for retail and hospitality applications. This track based luminaire supports retailers to let their products stand out or highlight certain objects. The clean and contemporary design with integrated driver and choice in 24 or 36 degrees beam angle makes the Essential SmartBright Projector relevant to many applications. The choice of 2 colours in White and Black helps the Retailer to choose products best suited to blend into the Store Environment. Compared to its predecessor, it is not only cost effective but also a more sleek and lighter product design. The product family includes 1M and 2M Track in Black and white colour with I and L connector to support various applications.
